

Why Smile4Wessex?

Located at Southampton General Hospital, **The Wessex Neurological Centre (WNC)** is one of the largest and most highly respected neurological centres in the UK, providing specialist neurological care to patients from across Hampshire, Dorset, Wiltshire, West Sussex, the Isle of Wight and the Channel Islands.

Since 2004, the **Smile4Wessex Appeal** has raised over £1 million to provide new equipment and facilities that enhance the range and quality of treatment available, and sponsor pioneering research into new treatments for a variety of neurological conditions.

Previously funded projects include a dedicated neurological intensive care ambulance; a Paediatric Video-Telemetry Suite (used to assess children with severe epilepsy for life-changing corrective surgery); the UK's first installation of a new generation of neurosurgical operating microscope fitted with Fluorescence Imaging technology; the Smile4Wessex Children's Neurosciences Centre; a sophisticated 16-channel nerve monitoring system; the introduction of 3D/UltraHD Endoscopic Neurosurgery; the Wessex Plasma Therapy Service*.

Research has been funded into a potentially 'game changing' non-invasive method of measuring intra cranial pressure (ICP) and a novel new treatment for those suffering bleeds on the brain.

* Current appeal project at time of writing.

You Smile, We Smile, They Smile

The great thing about raising money for charity is that it often involves having a great time doing something exciting, fun or even challenging, but which is worthwhile too.

Supporters of the charity have climbed mountains, crossed deserts and cycled the length of Britain, and every one has returned with a smile of satisfaction on their face and a sense of pride in their achievement. And their smiles have helped to put smiles back on the faces of hundreds of patients of the WNC.

Of course, some prefer just to make a donation, either as a one-off or on a regular basis, and a growing number of organisations give their support by organising dress down days, sponsoring our varied events or by donating 'gifts in kind'. You can even show your support by wearing items from our Smile4Wessex clothing range.

For the latest news about our current appeal, along with full details of the many ways in which you could get involved in helping Smile4Wessex make a difference, visit www.smile4wessex.org or follow us on Facebook, Twitter or Instagram. Alternatively, simply contact the Appeal Office and we'll be delighted to help you get started. Our office is located close to the main stair/lift well on B Level in the Wessex Neurological Centre. We hope to see you soon.
