

# Please sponsor a Smile on our Wall of Smiles

The Smile4Wessex Children's Neurosciences Unit and Children's Video Telemetry Suite have been developed thanks in no small part to charitable pledges totalling almost £300,000 from Smile4Wessex.

By Sponsoring a Smile you'll be helping to fund these and other projects which enhance the range and quality of neurological care for patients, young and old, from across the region.

Sponsoring a Smile costs just £100 and you can dedicate a personal message as a lasting tribute and reminder of your support for the Wessex Neurological Centre and Smile4Wessex Children's Neurosciences Unit.

Please see overleaf for details of how you can Smile for the Wessex
